

INTER-CHURCH DAY · PALEXPO

# A hope in my *whys*

FEBRUARY 8, 2026 · 10AM TO 4PM

RÉSEAU ÉVANGÉLIQUE DE GENÈVE

## Program *Throughout the whole day, from 10 am to 4 pm*

Mental health is part of our lives, and it's not always easy to move forward when faith feels distant. This day offers a simple and genuine space to address these questions, with a perspective rooted in the hope we have in Christ.

On the program: testimonies, insights to better understand what we're going through, moments to breathe, reflect, and reconnect with what truly matters.
